DETAILED ACTION

This application was filed 12/30/2003 and claims foreign priority to India 993/MAS/2002, filed 12/30/2002. Claims 1-27 are before the Examiner.

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1-27 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Specifically, claims 1-27 are ambiguous due to the claims being drawn to the preparation of "montelukast". This is a common name for a chemical and the chemical to which this name refers can change with time. It is suggested that the claims be amended such that a chemical name and/or structure replaces "montelukast".

Specifically, claims 1-27 are ambiguous due to the claims having compounds named within them that are not properly named. Specifically, there are not enough "]" or too many "[" within the named intermediate compounds. Correction is required.
